

Dear New Happy Time Parents:

Please fill out all paperwork and turn before the first day of school 2009. If all paperwork is not received we cannot allow the child to attend preschool until all the paperwork is turned in. Please make sure to make appointments for the Physicians report or drop off the report in a timely manner to your Doctor's office. Most physicians may require a visit to process the form if the child has not been seen in the last 6 months. If you are working in the classroom please make sure your Personnel screening and T.B. Test are also completed by a physician.

Please note: this information will help you when filling out the paperwork. If you need more copies of these forms visit our web site at www.happytimepreschool.com

Parent volunteer job description is:

To assist the Head Teacher with the supervision of children ages 2-6. Duties include light housekeeping, bending down, sitting in small chairs and on the floor.

Volunteers work on the site no more than 1 time a week for 4 hours.
